

# Welcome

to the

Kreishandwerkerschaft Leer

-Körperschaft des öffentlichen Rechts-

# The craft – the economic power from next-door is our client.

The guilds with their specialized companies belonging to them are our customers. We work for the german masters.

Furthermore we assist the customers of the different companies, pupils and everybody else with specific information's and advices.

# Kreishandwerkerschaft Leer

-Körperschaft des öffentlichen Rechts-

Since 1986 the Kreishandwerkerschaft Leer is successfully working as an external educational provider. They organize training and re-education in the field of industrial professions, as well as training programs and job opportunities.. They also give advice and further training for choosing the right jobs and are engaged to create new apprenticeship places.

**Wir verstehen unser Handwerk!**

# Reinforced orientation for profession at the workshops

Potential analysis and additional offers for the profession orientation, for students of eligibility-, elementary- and secondary schools.
